## 5 Property Tax Questions You Need to Ask

**1. What is the assessed value of the property?** Note that assessed value is generally less than market value. Ask to see a recent copy of the seller's tax bill to help you determine this information.

**2. How often are properties reassessed, and when was the last reassessment done?** In general, taxes jump most significantly when a property is reassessed.

**3. Will the sale of the property trigger a tax increase?** The assessed value of the property may increase based on the amount you pay for the property. And in some areas, such as California, taxes may be frozen until resale.

**4. Is the amount of taxes paid comparable to other properties in the area?** If not, it might be possible to appeal the tax assessment and lower the rate.

**5. Does the current tax bill reflect any special exemptions that I might not qualify for?** For example, many tax districts offer reductions to those 65 or over.
